

Strategic Plan – pupil feedback (School Council)

It's a plan of what the school is trying to achieve in the next 5 years – Isabelle

It's about achieving our goals – Laila

What do you think the Strategic Plan is?

It's basically helping kids with their goals – Kaeden

Outcomes for children section – a few too many long words for children to understand (some very long sentences with lots of long words).

Values – Are the colours needed?

What do you think about each section?

We all like the mission statement, particularly the part about 'encouraging'.

What else do you think should be included in the plan?

It should include a section about what the parents think about the school and what they want from the school.

Develop play times and the outdoor environment.

What changes would you like to see in the next 5 years?

More technology available – especially touch panels!

Develop the library to get more books on different topics.

Academically well-developed children
