Interactive Learning Project- Playlists.

Which do you prefer... an acoustic singer or a booming brass band? A solitary voice singing sweetly and quietly or a magnificent choir lifting the roof?

Take out your ear plugs as you journey through the valley of sound and find out about instruments, the sounds they make and how they are produced. Discover which sounds travel the furthest!

Can you compose? Can you sing? Be sure to stand up straight, warm up your voice and sing your heart out.

Maths
