

BLABY STOKES C of E PRIMARY SCHOOL

PE and Sport Funding 2014/15

Number of pupils on roll	350
Total amount of PE and Sport Funding received	£9,460

Sport is a high priority for Blaby Stokes C of E Primary School, we believe it has a huge impact on pupils' well-being and fitness as well as academic achievement. Engagement in a variety of sports and fitness opportunities is key for all pupils.

Use of PE and Sport Funding

- ❖ Paying for professional development for sports leader (Level 5 Coordinators course 1 year)
- ❖ Paying for Sports coordinators conference (2 members of staff)
- ❖ Paying for lunchtime and afterschool clubs provision
- ❖ Supporting 2 Sport apprenticeships
- ❖ Skipping day & purchase of new equipment
- ❖ Fitness Fun – every morning
- ❖ Inspirational visit to Loughborough University
- ❖ Running sport competitions within the County and local schools
- ❖ Paying for medals, trophies certificates and stickers
- ❖ Transport for pupils to area sports
- ❖ Ipad purchased for Sports leader

Impact of PE and Sport Funding

- ❖ Sports Leader is now qualified to Level 5 – impact on skill development of all pupils
- ❖ Conference provided inspiration and greater facility for leadership and provision ideas
- ❖ The variety of sports now provided during lunchtime clubs and after school provides interest for a wider group of children (22 Pupil Premium pupils attend clubs)
- ❖ The provision of lunch time and afterschool clubs has increased skill development and provided a pathway so that many pupils now attend clubs outside the school the amount of children competing for the school has gone up – more children are engaged in sport from across the school. Examples of sports provided are: Basketball, Rugby, Tennis, Netball, Hockey, Multi-sports, Athletics, Cross country etc

- ❖ The 2 sports apprentices have enabled us to run a greater variety of lunch time and after school clubs in a greater variety of sports. In PE lesson, they have enabled the sports Leader to focus on smaller groups and the development of skills
- ❖ The skipping day run by an outside agency (Skipping Henry) enthused all children EYFS to Year 6 and developed skills and fitness
- ❖ Fitness Fun was introduced in September 2014 and is run by 2 members of staff when the school gates open at 8.35am – children are enthusiastic and keen to get into school. We have approximately 120 children attending each day from EYFS to Year 6 (this has been consistent throughout the year). Teachers have commented that the children who attend are more alert. The PE leader has commented on the improved levels of fitness over the year (examples of provision are: skipping, SAQ (Speed, Agility & Quickness), HIIT High Intensity Interval Training, dance, stretching, ball skills etc
- ❖ The visit to the University of Loughborough inspired many pupils with the idea that they could go to University (website has quotes from pupils)
- ❖ Transport provision for area sports meant more children could attend who maybe previously would not have been able to
- ❖ The new ipad for the PE leader has been used to video pupils and then give instant visual feedback (peer and self-assessment) – It is also used to keep records of impact and progression as well as film children at events and sports days

Evidence can be seen on our school website

Planned Spending for 2015/16

The intention is to build on the success of the previous year

- ❖ Purchase of new equipment e.g. basketball hoops
- ❖ 2nd Year apprentice and a further 1 year apprentice
- ❖ Continuation of lunchtime and afterschool clubs
- ❖ Sport Leader to provide CPD for all teaching staff
- ❖ Continue with Fitness Fun each morning
- ❖ To provide more transport to competitions
- ❖ External provider used for Dance specific CPD for teachers
